Request Changes vs. Schedule Changes

Students can request the following when sitting with a counselor during their appointment in January/February:

- Core Re-Evaluation (student will need to fill out a form to go into a higher-level course)
- Virtual lab (deadline to request the course on FLVS is May 24)
- Dual Enrollment intention for 11th and 12th grade

There are **no schedule changes**, so make sure recommendations and requests are correct by May 24. Students can view their requests and recommendations in HAC from March 1 – May 24.

Your junior and senior schedule should set you up for your first year out of high school

Going to a 4 year college or university? Take classes that will prepare you for your major. Take more classes beyond the minimum required for graduation.

Going to a vocational school? Take classes at FCTC to get a jump start on your education for free.

Going to SJRSC or FSCJ or another state college? Take SLS over the summer or during fall term to ease you into college mindset.

Reduced schedule/ Executive Intern (CO-OP)?

Reduced

- 11th graders cannot get a reduced schedule. Juniors must have 7 credit bearing classes as a full-time student.

Blended

- Blend of classes at both Beachside HS and dual enrollment at either SJRSC or FCTC (should be 7 total)
- Student should provide their own transportation.
- Juniors may take a max of 10 credit hours (3 classes) at SJRSC each fall and spring term.

Executive Intern (CO-OP)

- Students can have up to 4 executive intern periods cumulative during 11th and 12th grade and will be allowed to leave campus early.

Math (either standard, honors, or AP)

Science (either standard, honors, AICE, or AP)

US History (either standard, honors, or AP)

Science & Math Classes for Next Year

Science

All science courses after Biology should be chosen based on a student's future career and post-secondary plans. Choose a course that sounds interesting to you and will prepare you for your post-secondary plans.

Math

All math courses after Geometry should be chosen based on a student's future career and post-secondary plans. Choose a course that will prepare you for your post-secondary plans.

Fall Dual Enrollment with SJRSC

Keep in Mind

Parents have no access to student's dual enrollment grades until they are added to both the college and high school transcript

College professors/academic advisors will not communicate with parents

All high school students who are taking dual enrollment classes are treated as an adult college student and will be taking classes with adult college students

High school counselors cannot advise on AA degree requirements or pre-requisites needed for intended majors. Students should contact SJRSC for degree requirements

Students should be extremely intentional when choosing dual enrollment courses to be sure they are getting pre-requisite credits needed for their college major. Students should research courses needed to complete their Bachelors degree at their intended university, then work backwards from there when choosing dual enrollment courses.

Beachside schedule cannot be modified or changed to accommodate dual enrollment classes
