 - Can start as early as summer between 11/12 grade year – UNF 'Apply in July'
 - You are applying with the cumulative GPA from the end of junior year, ACT and SAT test scores obtained by August of senior year, and strength of your senior schedule.

 - Letter of recommendation requirement
- Current academic history (you can view this in HAC on the transcript tab)
- Ordering transcripts – via [Parchment](#)

Applications

- Two ways to apply to colleges:
 - Most colleges have their own online application OR not both
 - Common App (students must link Common App account with Xello)
- Submit the application and all other requirements **before** the deadline – these deadlines are firm!
- It would be helpful to have your parent/guardian close by while filling out applications
- Have your academic history, extra curricular activities, essays and ACT/SAT/CLT score reports with you while filling out the application
- Organize yourself – put all of the information you need in one notebook/folder so that you'll have it handy
- Break down the application process in small chunks – you don't have to do it all in one day!

College Application Fees

- Colleges charge a fee to apply! Application fees vary but could be between \$35-\$50, depending on college
- SJRSC and FSCJ come to BHS in the spring and will allow you to apply for FREE! So, pay attention to those dates!
- There is never a fee associated with scholarships
- SAT, ACT, or NACAC college application fee waivers can be used to waive college application fees
 - If you took the ACT or SAT with a fee waiver, see your counselor about obtaining college application fee waivers.
- If using fee waivers (free and reduced lunch), contact each college to determine how they would like the fee waivers submitted. Every college has a different process.

ACT and SAT and CLT Score Reports

The only way a college will see your ACT/SAT/CLT score is if you **SEND** your scores to them! Do this for free when you register for your test or pay a fee afterwards.

ACT

- www.actstudent.org
- Log in and send your scores to the college(s) of your choice
- If you didn't send scores when you registered for the test, then this will cost money

SAT

- www.collegeboard.org
- Log in and send your scores to the college(s) of your choice
- If you didn't send scores when you registered for the test, then this will cost money

CLT

- <https://www.cltexam.com/tests/clt/>

Letter of Recommendation

- Everyone will have to provide a transcript or SSAR, but not necessarily a letter of recommendation
- Check to see if letter of recommendation is **required**
- Who should you ask to write a letter? Ask an adult in your life, who is not related to you, who knows you really well and would say really nice things about you!
- Give them a resume or brag sheet of your achievements to help them
- **Ask well in advance** of the deadline – bare minimum 2 weeks
- Give instructions to writer about how to submit the letter of recommendation
 - Directly to you?
 - Uploaded electronically?
 - Sent directly to college or scholarship organization?
- Send a thank you note!

Essays

- Colleges can either make the essay optional or required
- You can view specific essay requirements on the college's admissions page
- Authentic story
- Excellent written skill
- No spelling or grammatical errors
- Essay is organized and has a purpose
- Essay answers the prompt
- Always type the essay outside of the application portal first
- Proofread the essay before submitting to the application portal

High School Transcript

- Official record of academic performance and testing history
 - Different than a credit detail report that a counselor can print for you
- Request transcript via [Parchment](#)
- Most public state universities in Florida require students to complete the Self-Reported Student Academic Record ([SSAR](#)) instead of sending an official transcript.
 - We recommend using the transcript screen in HAC or requesting a copy of your transcript via [Parchment](#) to assist you in completing your self report.
 - Keep in mind that the university in which you enroll will require a final transcript at the end of the year that will need to match your self report.

Student Self Academic Report (SSAR)

- Most public universities in Florida require SSAR instead of official transcripts
- We recommend using the transcript screen in HAC or requesting a copy of your transcript via Parchment to assist in completing your self report
- Entering Courses & Grades
 - Grade level taken: look at the school year in HAC/Transcript
 - Name of course: list it exactly as in HAC/Transcript (if the course is called a different name than what is in HAC, enter what it is called in parenthesis)
 - Indicate if the course is standard, honors, AP, AICE, or dual enrollment
 - Enter semester 1 grade and semester 2 grade
 - Yearlong courses: Enter the same grade for semester 1 and 2
 - Current 12th grade courses: in progress
