

## IMPORTANT LINKS

Students will see the following screen, anything with a lock will not be able to be removed or moved so the “Important Links” will always be the first card the student will see to the left.

The College is closed for Spring Break March 17-21.

### **Things to Remember:**

If your schedule is incorrect, it is your responsibility to reach out to the SJR State Dual Enrollment Office to get it rectified.

If you are missing a course on your schedule, the course may be full or you may not have the adequate test scores for the course.

If your schedule bill has a balance on it, you will need to contact SJRSC.

When you email, be sure to include your SJR State X number and the course that is missing from your schedule, and SJRSC will return your email with an appropriate solution. Emails without the missing course will be unable to be returned due to the volume of emails. Please send all email inquiries to [dualenrollment@sjrstate.edu](mailto:dualenrollment@sjrstate.edu).

- If your schedule does not appear, your registration may not be processed. Please allow 10 business days for paperwork processing.
- Online classes will appear in your Canvas account on the first day of the term.
