Established in 2022, Beachside High School (BHS) is a public high school located in northwest St. Johns County, Florida. BHS offers students the Academy of Veterinary and Biomedical Sciences, Information Technology, and Global Logistics and Supply Chain Management as well as AICE and AP curriculum.

Established in 1821, St. Johns County is primarily a residential area best known for its county seat of St. Augustine. The county's economic industry is tourism. Visitors and residents frequent the historical landmarks, beaches, parks, and golf courses sprinkled alongside the many miles of accessible waterways offered by the St. Johns River and the Atlantic Ocean. Higher education is readily available to residents through private and state colleges located in the county and through the University of North Florida located in Jacksonville, FL. St. Johns County is part of the Jacksonville Metropolitan Statistical Area that also includes Duval, Clay, Nassau, and Baker counties. The residents of this Metropolitan area are influenced by endeavors of the Arts, Agriculture, History, Recreation, Business & Industry, and suburban, rural, and city life. Student enrollment at BHS is 2432 students for the 2025-2026 school year.
