# ACADEMIC INFORMATION

# Intensive Reading

- Schools are required by the District Decision Tree to place students in intensive reading if they score a level 1 or 2 on the FAST ELA Reading
- Administration will review FAST scores during the summer and students will be placed in an intensive reading course.
- 11th and 12th graders will have the opportunity to retest in the summer
  - Students who receive a passing score will no longer be enrolled in IR

# Grade Forgiveness

Students can retake classes in which they earn a D or F (if the class is offered on FLVS, SJVS, or Edmentum Credit Recovery)

All grades appear on the official transcript. Forgiven grades will still show on transcript but will not be included in GPA calculation

**All grade forgiveness should be completed before senior year**

Options for grade recovery: St Johns Virtual School, Florida Virtual School, and/or Edmentum credit recovery\*

\*Courses taken via Edmentum credit recovery will not count towards NCAA eligibility

If grade forgiveness is necessary, students should request a Credit Recovery Lab on their schedule for next school year during their meeting with the counselor

# Career Interest Inventories

- Starting in 11<sup>th</sup> and 12<sup>th</sup> grade, students may want to start taking classes that will help them with their career.
- All BHS 10<sup>th</sup> grade students took/will take the Xello career interest inventory
- Students can retake the career interest inventory as many times as they want on their own.
- There are many career interest inventories to help students find career options
  - Xello (can be accessed via Clever)

# COURSE SELECTION PROCESS & TIMELINE

How Teacher and  
Student Schedules  
are Made

# Course Registration Meeting Guidelines

- ✓ SENIORS MAY REQUEST UP TO THREE MODIFIED PERIODS, **BUT NOT** **SPECIFIC PERIODS IN THE DAY.**  
MODIFIED PERIOD PLACEMENT IS NOT GUARANTEED (Please do not promise students morning/afternoon modified periods)
- ✓ STUDENTS MAY **NOT** REQUEST A VIRTUAL LAB PERIOD
- ✓ ELECTIVE SELECTIONS ARE NOT GUARANTEED. MAKE SURE STUDENTS HAVE ALTERNATIVES SELECTED
- ✓ MANY UPPER LEVEL COURSES MAY NOT BE OFFERED EACH PERIOD. STUDENTS SHOULD BE REMINDED THAT THEY ARE NOT GUARANTEED PLACEMENT IN REQUESTED COURSES THAT ARE NOT REQUIRED FOR GRADUATION

## No Guarantees!

- The only courses that are guaranteed to be on a student's schedule is their graduation requirements.
- Nothing else can be guaranteed.
  - Electives
  - Modified
  - Parking

# Student Progression Plan

What – A living document that guides our decision making process for all students

How – Outlines requirements for a student's successful completion of Florida graduation requirements within the framework of SJCS

Where – Can be found on the BHS website homepage. Scroll to the bottom and click on “Student Progression Plan”

# The Master Schedule

- Creates individual student schedules that meet education needs, at the appropriate level, in the appropriate format, and in the appropriate sequence
- Creates individual teacher schedules that utilize instructional staff in the areas in which they are certified, and to balance the course load of each teacher, being mindful of the number of standard/honors/advanced courses that each teacher is assigned
- Student numbers determine the number of classes offered
- Courses are not open and filled like a college course
- When large numbers of students request a change from a course, that can impact the need for a class or a teacher
- This is the WHY behind the review request deadline

# Funding Decisions Timeline

**Funding decisions are made mid-April**

**Student requests and teacher recommendations determine our course selection and faculty needs**

**Administration hires new teachers based on course selection information as early as possible**

**Don't forget the math:**

$2400 \times 7 = 16,800$  (that's approximately how many individual placements we make IF all recommendations are correct)

## Recommendations vs Requests

Current teachers make **recommendations** for next year's core courses and upper-level electives.

Administration/counselors review these recommendations with student data and make changes as necessary.

- Feel free to look at our Course Progressions on our Course Selection webpage to see our recommended core course sequence.

**Requests** are the electives students get to pick to complete their 7 total courses for next year.

# Request Changes vs. Schedule Changes

- Students can request the following when sitting with a counselor during their appointment in February:
  - Electives
  - Core Re-Evaluation (student will need to fill out a form to go into a higher-level course)
- There are **no schedule changes**, so make sure recommendations and requests are correct before leaving for Spring Break. Students can view their requests and recommendations in HAC from March 2 – March 13.
