

The background of the slide is a photograph of a beach. In the foreground, there is a dense layer of smooth, light-colored pebbles. In the middle ground, a stack of three smooth, greyish-blue stones is balanced on top of each other. The background shows a blurred view of the ocean with gentle waves under a bright sky.

Bright Futures Scholarship GPA

Bright Futures GPA is **NOT** the same as report card or transcript GPA.

Bright Futures **weighs** honors, AP, AICE, and dual enrollment classes **equally** with 0.5 per credit earned!

Bright Futures will also accept two additional academic electives toward the GPA calculation if it **benefits** the student.

Evaluation for Bright Futures includes an unrounded, weighted high school Grade Point Average (GPA) (calculated to two decimal places) in the **16 college-preparatory credits**

What should you do now to qualify for the Bright Futures scholarship?

1

Keep up with course work and maintain a good high school GPA – especially in CORE classes (English, Math, Science, Social Studies, World Language)

2

Stay involved in school and community. Seek out community service opportunities

3

Turn in service hours/work hours to Ms. Fortier in building 1

4

Begin planning for next year's courses with your post-secondary plans and Bright Futures requirements in mind

Community Service

Not needed for graduation

Needed for \$\$ (scholarships, including Bright Futures)

Your goal should be to finish 100 hours of community service (or work hours) by the end of 11th grade so you will qualify for the highest level of the BF scholarship

How to find community service opportunities -

Beachside School Counseling Schoology Updates

<https://www-bhs.stjohns.k12.fl.us/guidance/community-service/>

How to Turn in Community Service Hours

For volunteer work, have the supervisor of your service provide a signed letter on the organization's letterhead describing the type of service performed, who in the community the service benefited, and a description of the service event. Student and parent/guardian should sign this letter.

For paid work, student will need to print a copy of their pay stub.

Student should fill out the reflection log, located on the website.

Make a copy of all completed forms for your records.

Student provides letterhead or pay stub, and [reflection log](#) to Ms. Fortier with all required signatures included.

Please allow 1 month for hours to be updated.

Students may check their hours by logging in to HAC and clicking on the registration tab.

What we need to know about SJCSD GPA:

- GPA's update after every semester:
 - In January, after semester 1 grades post
 - In the summer, after semester 2 grades post
- Each letter grade has a quality point value assigned
- AP, AICE, Dual Enrollment, pre-AICE, and honors counts towards your **weighted** GPA
 - Honors and pre-AICE = additional .50 quality point
 - AP, AICE, DE = additional 1.0 quality point
- Only cumulative, **unweighted** GPA counts towards graduation and qualifications for Dual Enrollment
- Most public state universities in Florida, some colleges around the country, and the Bright Futures scholarship recalculate GPA based on only core and world language courses.
