

# BEACHSIDE BARRACUDAS

Barracuda Families,

We are very excited for our first day with students on campus tomorrow. Below are some reminders that we wish to share in preparation of having a great start to our school year and building our traditions.

1. Please remember that students will be allowed on campus starting at 8:45am. In the future they will need a pass from their teacher to enter campus earlier. For the first day of school we will open the gates and start allowing students on campus at 8:45 into our courtyard. They will be allowed into the academic building starting at 9:15am.
2. **Please see the attached pdf detailing the parent drop-off/pick-up lines** as well as the designated parking areas for those students with parking passes.
  - a. Please note that the drop-off/pick-up location is in the loop between the admin building and the auditorium, not on the side of the school between the gymnasium and auditorium
3. We will have a limited menu this week due to some kitchen equipment limitations. We will have a variety of outside vendors coming in along with some other entrees including:
  - a. Monday Papa John's
  - b. Tuesday – Zaxby's
  - c. Wednesday – Chick Fil A
  - d. Thursday – Papa John's
  - e. Friday - Subway

Please be patient with us as we continue to make improvements.

TM

We are very excited to our first ever classes on campus and encourage our families to #TrustTraditionsTreasureTheMoment as we know we will be doing the same on campus.

If you have any questions, please do not hesitate to reach out.
