

# BEACHSIDE BARRACUDAS

Hello Barracuda Families!!!!

Thank you for allowing me to care for you children this school year. It has been a pleasure getting to know all of the new faces.

As we near the end of the school year, I would like to remind you that your child's medication should be picked up from the clinic by **May 25<sup>th</sup>**. School policy does not allow for medication to remain in the school over the summer. It will be important for you to make arrangements to pick up your child's medication since medications may not go home with the student. Any medication left in the clinic after **May 25<sup>th</sup>** will be discarded.

For your convenience, the clinic will be opening August 7<sup>th</sup> to accept your child's medication and completed medication forms for the **new school year**.

All Medical and Medication forms can be found on our website under clinic.

If you have any questions, please contact the school clinic at 904-547-4422

I look forward to serving your student again in the new school year until then, have a safe and healthy summer!

Nurse Morgan
