

# BEACHSIDE BARRACUDAS

Good Evening Barracuda Families,

We hope you are enjoying this wonderful July we are having and spending time with family and friends! The district has changed the county wide High School Schedule preview date to July 26th and 27th.

**Schedules will be available on HAC Wednesday, July 26th & Thursday, July 27th.**

For brand-new students to St. Johns County, HAC will not be available until you log into HAC while on a St. Johns County school property accessing the network. New student account information will be available for new students (already registered) on August 9th from 8 a.m. -11:30 a.m. during the District Wide Open House/Meet the Teacher.

Students will have TWO days to review their schedule and notify us of a scheduling error using the link below which will only be open through July 28th at 12 p.m.

[23-24 BHS Schedule Correction Form](#)

Errors will be corrected prior to school starting-If they are not corrected by August 10th, we were unable to make your requested correction.

Errors include...

- a hole in the schedule
- a course on the schedule previously taken
- a missing course needed for graduation
- a missing course that is the next course in the progression from a course already taken. (For example, student took Spanish 1 last year with no grade lower than a C, but Spanish 2 is missing on schedule.)

Requests to change a course level, change an elective, switch from a brick & mortar course to virtual, add modified, or to change a teacher will not be honored. Course changes were due back on May 25th.

Modified and Internship period(s) might have been changed while classes were being balanced to meet class-size amendment requirements or for singletons; therefore, requests to change a student's modified or internship period(s) will not be honored.

Beachside is an "at capacity" school. As a result, not all elective requests could be granted; some students may be in an elective they did not choose.

# BEACHSIDE BARRACUDAS

Families that have not completed the annual RSV (Returning Student Verification) or have expired leases will NOT be able to see their schedule on July 26th & 27th. PLEASE take care of these issues BEFORE July 26th. Issues with HAC Login should be addressed to [jessica.wynn@stjohns.k12.fl.us](mailto:jessica.wynn@stjohns.k12.fl.us).

For students to log into HAC

- username is “s” in front of their student number – s140378
- password is whatever they created.

More information regarding the District Wide Open House/Meet the Teacher on August 9th please check our various social media pages. Enjoy your last month of summer vacation!
