

BEACHSIDE BARRACUDAS

Dear Parents/Guardians:

Please ask your student to log into their HAC account to check their course requests for next year (current middle school parents, if your child can't see their course requests in HAC, please reach out to your current middle school).

Log into **STUDENT HAC** account, click Classes button, click Schedule tab so you can view the classes they picked for the 2024-2025 school year.

Requests to change will not be accepted via email, phone call, or office drop in. All requests must be completed via the online form(s).

Executive Intern = CO-OP (Work Program), you must have a paying job working at least 25 hours for every period of Executive Intern on your schedule. You will be expected to turn in pay stubs and complete assignments for a grade in the course.

Deadline to complete all forms: May 24 by noon

[Academy and AICE Drop Form](#)

Core Recommendation Re-Evaluation Form (should be used to change an English, math, science, or social studies course)

These requests will be evaluated over the summer by administration. If the request was approved, students will see it on their schedule during the preview window in July. If the request was denied, students will not see the requested course on their schedule.

Virtual Course Request Form (should be used to request a virtual course in place of a course at BHS).

Students must also request the course on FLVS or SJVS, with an August 12, 2024 or earlier start date, by May 24, 2024 before the course will be removed from your next year requests.

Non-Academy Elective Change Form (should be used to change an elective request)

All forms and information about course selection for the 2024-2025 school year can be found here: <https://www-bhs.stjohns.k12.fl.us/guidance/course-selections/>

It is the student's responsibility to make sure course requests are correct; if students need to request a change, they should use the online form(s).
