*Students should arrive at least 30-45 minutes prior to the start time.

Morning Exams:

- Report Time: No later than 7:30am
- Report directly to your assigned testing room.
- Lunch: Students will still get a lunch if the time runs over.
- Extended time students and students taking two tests in a day should bring their lunch from home.

Afternoon Exams:

- Report Time: 11:30am
- Report directly to your assigned testing room.
- **Students may want to have a plan for transportation, in case an exam ends later than 4:05 p.m.**
- End times for afternoon tests are unpredictable and may vary from day to day. Afternoon extended time exams **will likely end later than the last bell.**
- Lunch: Students will still get a lunch if the time conflicts.

Two exams in a day:

You will need to provide your own lunch. You will have an opportunity to eat (quickly, ~ 15 minutes) in a designated area between exams. You might also consider bringing a "snack lunch" that you can space out and eat during the exam breaks and the break between tests.
