Subject: Fire Alarm This Morning at BHS

CAUTION: This email originated from outside of the organization. **Do not** click links or open attachments unless you recognize the sender and know the content is safe. Please report suspicious or potentially dangerous emails using the "Phish Alert Button".

Good morning! Earlier today, BHS experienced an unexpected fire alarm. All buildings were evacuated quickly to keep everyone safe while we determined the reason for the alarm. The fire alarm station in the weight room was accidentally struck by a weight. We apologize for the disruption to the school day, but commend our students and staff for responding quickly and appropriately. Beachside has now returned to normal operations.
