Subject: Sprinkler Malfunction on Campus

CAUTION: This email originated from outside of the organization. **Do not** click links or open attachments unless you recognize the sender and know the content is safe. Please report suspicious or potentially dangerous emails using the "Phish Alert Button".

Good morning. Overnight Beachside High School experienced a malfunction in our sprinkler system. Several areas in building four have been affected. While the district is working to assess the impact, we will be relocating many classrooms to unaffected areas. We appreciate your understanding as we work to return to normal operating procedures as soon as possible.

Please monitor your email through the day for updates.

St Johns County School District would like to continue connecting with you via email. If you prefer to be removed from our list, please contact St Johns County School District directly.
