**School Advisory Council Request for the Use of Funds**  
*Requests must be made 1 week prior to the SAC Meeting*

Date:  Requested by:

**Purpose of the funds requested:**

An educational experience for students in ASL club to interact with and experience sign language outside of the classroom allowing them to witness sign language from the perspective of a deaf/hard of hearing people, seeing and interacting with sign language in real world experiences rather than an educational format. Students who have found a passion for American Sign Language and are unsure what to do with their love for the language will be allowed to attend this field trip to Disney World: Magic Kingdom to watch interpreters in a real life setting, instead of learning and engaging with fellow students in the classroom. The purpose of the funds is to cover the cost of the entire field trip, on the cost to students families.

**What Part of the School Improvement Plan will these funds address?**

Description of Intervention #2: Beachside High School will be implementing many clubs and special interest programs in addition to sports other extracurricular activities.

Rationale: Participating in extracurricular activities builds teamwork, communication, relationships, and a

**How will you measure its effectiveness or impact?**

I will measure the impact on the students by asking questions about the field trip and sending out a Microsoft form for the students to complete to give me feedback on what they liked, what signs they saw that they knew, how watching ASL outside of the classroom made them feel, and if going on this field trip made the students want to pursue a career in American Sign Language

*In order for this project to be funded by the School Advisory Council, you will be required to provide a 5 minute presentation on how it has been used to improve the school and/or the quality of teaching you are able to provide. Do you agree to this? (Yes or No)*
