- Principal's Report
 - SIP GOALS: Goals presented and displayed. Increase lowest quartile, improve access and success in AICE courses for cohort and non-cohort students, and incentivize attendance.
 - General Updates: New staff members: Travel and Tourism Teacher and an ESE Teacher. Club Fair on Sept 23. New Mascot unveiled at the first home football game.
- Guest Speakers
 - Dr. Jonathan Higgins and Kendra Stone
 - AICE course changes allow acceleration to college programs open to all students, not just AICE diploma candidates.
 - ESE teachers are grouped by cohort (9-10) and (11-12), each teacher is responsible for a Learning Strategies class and provide support facilitation which provides a co-teach model for some classes.
 - Redefine mission and vision statements: requesting feedback for the planning of the new mission and vision. Define the meaning behind each statement, determine values, define what a BHS grad should embody as a result of the mission and vision.
 - CTE: Career Academies, industry certification exams overview, and alignment to college courses allows students to access accelerated programs.
 - Golf Cart Parade Flyer: October 14, 2026
